

KSUFA Distinguished Service Nomination Form

The KSUFA Distinguished Service Award (DSA) is recognition for outstanding service to the Association demonstrated in terms of leadership and accomplishment. Quality and longevity of service will be primary considerations for the awards although other unique characteristics or accomplishments may also be considered.

In the spring semester each year, the Executive Committees from each unit will accept nominations for the Distinguished Service Awards. DSAs need not be awarded annually, but as warranted by deeds and accomplishments of an active or retired Association member. Each of the Executive Committees (TT and FTNTT) will review nominations from their respective unit and make recommendations to the Joint Coordinating Board (JCB) for final approval. Sitting Executive Committee members are normally excluded for consideration for this award. Please submit nominations to the KSUFA Executive Director.
